

July 2021

Dear Friends:

The LIGHTHOUSE Atascadero Sustaining Membership Program launched in November 2019 and the Atascadero Greyhound Foundation (AGF) Board would like to thank all our current "Lamplighters".

The AGF continues the work of providing awareness, prevention, education, and intervention in the areas of drug and alcohol abuse for the youth in our community. We know that many of our youth continue to use illegal drugs, with alcohol being the choice drug for all teens. As we begin to emerge from the pandemic and plan for students to return to school in the fall, our mission becomes even more critical – **"Making a Difference Every Day for the Youth in Our Community."**

LIGHTHOUSE programs offered to our youth and families include counseling, mentoring, resource materials, after school activities, scholarships and hands-on-leadership and job training opportunities. The expense of providing these programs and activities is understandably high. The AGF Board is appreciative of the ongoing support it receives from the business and individual sustaining members, community service organizations, local and county government agencies, grantors, and our elected officials. Our community continues to show support of our programs through their emotional and financial contributions to LIGHTHOUSE, and together we can keep the LIGHTHOUSE shining!

When you partner with LIGHTHOUSE financially, you will have the satisfaction of knowing that you are part of one of the best drug abuse prevention programs in the country. Your monthly contribution will provide an invaluable gift for the youth in our community. One of our graduates told us, "Remember, you guys – without LIGHTHOUSE, I'm a dead kid." For us, that says it all.

Please consider joining our ranks as a special Lamplighter Member. Enclosed in an information packet on each of the LIGHTHOUSE Programs along with Credit Card Payment Authorization Form and return envelope. Thank you!

Sincerely,
